LOCAL WORK

Of the Salvation Army is Reported on in the War Cry This Week.

Ensign Emma Schroeder and Adjutant Mildred Douglas, ladies in charge of the Salvation Army work here, have the following report in this week's issue of the War Cry, official publication of the army:

On Thursday, September 31, we arrived in this city, which is surrounded with beautiful hills. The people here have the real Army spirit, and we believe our stay will indeed witness a gathering of precious souls into the Master's Kingdom. On the night of Sunday, September 20, we had a very good open-air meeting, with hundreds listening to the message of salvation; that same night in our tent meeting, two souls sought and found Jesus. It is getting rather cold at night for tent meetings, so we have secured a hall on the ground floor of a new building centrally located. We believe the Army in this city will have a home of its own, as the citizens of Clarksburg are greatly interested in such a project. We have had the pleasure of having with us Captain and Mrs. Barker, from Fairmont, who have done much to help us; the people enjoy their messages in song and testimony. We say, "Come again" to our comrades. We are fully depending on our Heavenly Father for victory.

SALEM WOMEN

Are Busy Making Garments for the Belgians in the War in Europe.

Belgian women at Salem have opened a large garment making and repair shop in their town and are busily engaged making new garments and making over old ones which will be sent to Belgium to be used especially by the needy of the Belgian nation during the European war. The organization expects to have a carload of garments ready for shipment in a short time. The Salem neighborhood is responding nobly to the call for money in connection with the movement. More than \$1,000 has already been contributed.

LOCAL HIGH

School Football Eleven Will Play Buckhannon High Saturday.

After practicing hard all week the local high school football team will journey to Buckhannon Saturday where it will meet the high school team of that place for the first time in its history, and although the local team is a great deal lighter than its opponents it expects to give the "Grinonites" a run for their money. The locals have three hard games coming within the next two weeks, namely, Morgantown High, the Alumni and Shinnston High, of these three the Morgantown and Alumni are attracting the most attention. Morgantown defeated the locals at Morgantown, and the locals have been saving up for revenge ever since. The Alumni game, which will be played on election day, will be one of much interest to all local people, and therefore a large crowd is expected.

LOVE OF SNAKE CHARMER LEADS YOUTH TO SLAY; INSISTS WOMAN IS GUILTLESS

Mrs. Ruth McCullough and Clarence McCormick.

Clarence McCormick, twenty-year-old son of a Lancaster (Mo.) farmer, and Mrs. Ruth McCullough, snake charmer in a sideshow, with whom he is infatuated, are awaiting trial in Ottumwa, Ia., for the murder of Irving W. Mollett, a wealthy Hedrick (Ia.) farmer. According to McCormick's confession, he killed Mollett while he and the snake charmer were riding in Mollett's automobile. He says the woman is guiltless. They expected to find considerable money on the victim, but he had only \$25 at the time of the murder.

LITTLE DAUGHTER VERY DELICATE

Mother Tells How Vinol Made Her Delicate Child One of the Healthiest.

Fayetteville, N. C.—"My little daughter was in delicate and very poor health and had so little strength it caused me a great deal of uneasiness. I noticed an advertisement of Vinol and decided to try it. The results were simply marvelous as her appetite improved at once, she gained so much in weight and looks that my friends all commented on the change. She is now one of the healthiest children in town and does not need medicine of any kind. All mothers who have delicate children should try Vinol."

—Mrs. Gordon Jessup, Fayetteville, N. C.

Vinol is a wonderful appetizer and you can see delicate, ailing children improve day by day under its use, for it is the tissue building and medicinal elements of cod's livers, aided by the blood making, strength creating properties of tonic iron which makes Vinol superior to other tonics to build up health and strength for delicate children, feeble old people and weak, run-down, nervous debilitated men and women.

We wish every mother who has a delicate child would try Vinol on our agreement to return their money if it fails to give satisfaction.

Regain the Mastery
Over Blood Trouble

No Matter How Disheartening You Can Overcome It.

Blood disorders are quickly checked by S. S. S., the famous blood purifier. It makes into a blood and in three minutes has traversed the entire circulation. It penetrates to where the blood is made, it washes out the spots and places where stagnation has settled, it cleanses the membranes, drives irritation from the joints, fills the blood stream with vitalizing influence and from head to foot creates conditions that make for blood health. There are people in every community who know this to be true. They have used S. S. S. for severe forms of rheumatism, for indolent, ulcerated spots, for eruptive skin diseases, for any and all those bodily conditions caused by blood loaded with impurities. Being a pure product of Nature it can not hurt the stomach and has therefore been the refuge of a host of people misguided in their dilemma by first flying to those dangerous mercurial drugs which have claimed so many unfortunate. The skin breaks out in a rash, it boils, or other eruptions appear, if there are blood risings or any other indications of impure blood get a bottle of S. S. S. at once of any druggist.
